GETTING TO GRIPS WITH

# MIGRAINE

**Migraine is very common but widely misunderstood and stigmatised.**

**Dr Katy Munro & Dr David Kernick are on a mission to bust myths & improve understanding of migraine, so they are travelling the UK sharing their expertise.**

**This is your chance to ask them your questions!**

**Be part of the conversation about the impact of migraine, what migraine is, exciting new treatments, children with migraine, hormones, unusual presentations and why it's NOT just a headache.**

**Dr David Kernick is co-author of the Oxford University Press manual of Headache & heads the Exeter Headache Clinic.**

**Dr Katy Munro is author of 'Managing your Migraine' & host of 'Heads Up' podcast. She has done numerous TV and radio interviews on migraine including BBC's 'Morning Live' and Radio Scotland.**
